Ari Natter. (18 September 2019). U.S. Says Saudis Must Forgo Enrichment for Nuclear Sharing Deal. Bloomberg. "Trump Administration officials had previously indicated they were seeking such commitments in discussions with Saudi authorities. In May 2018, Secretary of State Mike Pompeo said in Senate testimony, "we want a gold-standard Section 123 Agreement from them, which would not permit them to enrich." Secretary of Energy Rick Perry also told a House committee that if Saudi Arabia does not reach an agreement with the United States, "the message will be clear to the rest of the world that the kingdom is not as concerned about being leaders when it comes to nonproliferation in the Middle East."
