<https://repository.bakrie.ac.id/>

The screenshot shows a web browser window displaying the Universitas Bakrie Repository homepage. The browser's address bar shows the URL `repository.bakrie.ac.id`. The page features a search bar at the top left with the placeholder text "Insert keyword here...". Below the search bar is a "USER MENU" section with the following options: LOGGED IN AS ALI, MANAGE DEPOSITS, MANAGE RECORDS, PROFILE, SAVED SEARCHES, REVIEW, ADMIN, and LOGOUT. The main content area displays the Universitas Bakrie logo and the text "Repository". A large teal banner reads "Welcome to Universitas Bakrie Repository". Below the banner are links for "Atom", "RSS 1.0", and "RSS 2.0". The page is divided into three main sections: "Latest Additions" (with the subtext "View items added to the repository in the past week."), "Search Repository" (with the subtext "Search the repository using a full range of fields. Use the search field at the top of the page for a quick search."), and "Browse Repository" (with the subtext "Browse the items in the repository by subject."). A fourth section, "About this Repository", provides "More information about this site."

Title

Bahasa Pengelolaan Recrudescence Terhadap Kinerja Keuangan pada Perusahaan Manufaktur yang Terdaftar di Bursa Efek Indonesia

Abstract

which means inventory management improvement assured in the upstream relation, or the relationship between manufacturing companies with suppliers, have a significant effect on the financial performance of manufacturing companies. Meanwhile, both the days of inventory and the days of accounts receivable have not significantly affect the return on sales. The dominance of government ownership and the age of firm control variables have a significant influence to the financial performance, while the foreign ownership has no effect empirically.
